This is a petition to request accelerated examination of a new application under MPEP 708.02 (II).

The below-undersigned applicant alleges the following:

- (a) That there is an infringing device actually on the market;
- (b) That a rigid comparison of the infringing device with the claims of the present application have been made, and that it is my opinion that some of these claims are unquestionably infringed; and
- (c) That I have good knowledge of the prior pertinent prior art.

Applicant is providing a copy of a patent application, published as WO 01/26963. This reference is deemed closely related to the subject matter encompassed by the claims.

The Examiner is invited to contact the Applicant's representative at the below-listed telephone number if there are any questions regarding this communication.

Respectfully submitted,

Date: 19-4-2004
